## **UPDATE NO.5 - TUESDAY 30<sup>th</sup> JUNE 2015**

**Current Membership: 104 (98 on Electoral Roll) Currently members in VIC, NSW & QLD**

### **ENOUGH!!**

Over the past two weeks we’ve seen a report “leaked” from the Prime Minister’s office that canvassed the idea of privatising what is left of an under resourced, understaffed public education sector. Just a few days ago another Minister in the Abbott led government raised the idea at an ACROSS meeting of opening up the social security sector to private corporate investors.

**ENOUGH IS ENOUGH!!** There has never been a more opportune moment to join and become involved in the activities of a group of people who are willing to take up the fight to ensure Public Interests are ALWAYS put before Corporate Interests – **PIBCI**.

With your support we will succeed in ensuring our parliamentary representatives always put public interests before corporate interests. Without your support it will only be a matter of time before every political, social, cultural and economic gain made through the blood, sweat and tears of generations of Australians will be devoured by that small section of society that owns the means of production, distribution, exchange and communication in this country that uses its extraordinary powers to always put corporate interests before public interests.

**A BIG PUBLIC THANK YOU** to Gillian Collins – without her invitation for me to stand in the state seat of Frankston at the November 2014 Victorian State election and her continued encouragement to do “something more” to promote Public Interests – PIBCI would not have been formed. Gillian created and runs the very successful PIBCI Facebook page. Please avail yourself of this marvellous resource - [www.facebook.com/pibci2](http://www.facebook.com/pibci2)  
(you can also type ‘Public Interests Before Corporate Interests’ in the Facebook search box)

**ANOTHER BIG THANK YOU** to PIBCI member Helen Johnson for helping to design the PIBCI Membership card that members receive when they join PIBCI.

PIBCI is only as strong as the interest and enthusiasm of its members. The organisation is starting to find its feet and is beginning to have an impact.

**JOIN US TODAY** and become part of a community, social, political and cultural movement that has the ability to change the face of this country forever.
