HOW CAN YOU HELP THE **TOSCANO4DUNKLEY** CAMPAIGN?

- You don't have to be a member of PIBCI to help.
- You don't have to be on the electoral roll in Dunkley to help.

If you are interested in the ideas in the Toscano4Dunkley campaign, no matter where you live, whether you're on the electoral roll or not, you're the type of person I need.

PRACTICAL WAYS OF HELPING

A. Are you on the Dunkley electoral roll?

Once the election is called, I have **10 DAYS** to find 100 electors on the electoral roll in Dunkley who are willing to **NOMINATE** me to stand.

If you are on the electoral roll in Dunkley and wish to nominate me **NOW** is the time to contact me so I can organise to have you sign the nomination form once the election is called. If you have family and friends who may want to nominate me, now is the time to contact them so once the election is called, I could meet you as a group to sign the nomination form.

B. Pre-Election Campaigning

Pre-election campaigning has commenced now. I need people who are willing to give out Toscano4Dunkley flyers in the Dunkley electorate (Frankston, Frankston North, Frankston South, Seaford, Langwarrin, Mount Eliza, Mornington, Parts of Baxter and Skye) **NOW**.

Contact me ASAP and I will put you in contact with people who are currently handing out flyers in the electorate. If you have a group of two or three people, we could discuss the best place for you to hand out flyers in the Dunkley electorate.

D. How to Vote Cards – Pre-Polling Votes

How to Vote cards play an important role in elections. **About 20% of electors cast pre-polling day ballots.** It's important the 2 polling centres in the Dunkley electorate, that will be accepting pre-polling day ballots, are covered for the three week campaign preceding polling day. I need at least 4 people from 8:00am to 6:00pm, 6 days a week.

I also need ONE person who is willing to act as a contact person/co-ordinator for the pre-polling campaign.

If you can help, please contact me **NOW**.

E. Polling Day

On Polling Day I need 200 (yes, two hundred) people to cover the 41 polling booths in the Dunkley electorate.

- 15 polling booths Frankston
- 5 polling booths Frankston North
- 5 polling booths Mount Eliza
- 4 polling booths Langwarrin
- 4 polling booths Seaford
- 3 polling booths Mornington
- 2 polling booths Frankston South
- 1 polling booth Skye
- 1 polling booth Baxter
- 1 polling booth Mount Martha

This is an 8:00am to 6:00pm job. Even if you can only do a few hours, it would be useful.

NOW is the time to register to work on a polling booth as it is a huge task co-ordinating over 200 people on the day.

If you can help, contact me ASAP and we can work out times and the polling booth you will cover – I'm aiming to have between 3-5 people at every polling booth to cover all entrances from 8:00am to 6:00pm on polling day.

I also require 10 people with vehicles who can act as supervisors/co-ordinators for 4 polling booths – they will be responsible for ensuring those booths are covered between 8:00am to 6:00pm, people at the booths have enough *How to Vote* cards and will be able to be contacted if any problems arise on the day.

CONCLUSION

Whether the Toscano4Dunkley campaign succeeds or not will ultimately depend on the number of people who can help me on this venture. If you can help, now is the time to contact me – a few hours of your time may make all the difference.
