

ANNUAL GENERAL MEETING - TEMPORARILY DELAYED

Wednesday 4th November 2020

Due to major travel restrictions in Melbourne, regional Victoria and every state and territory in Australia, the AGM which was due to be held 4th November 2020, will be rescheduled once travel restrictions are lifted.

The PIBCI executive for 2021 was elected unopposed

Secretary Zelko Zalac **Treasurer** Elizabeth Matthews
Party Agent Patrick McPhee **Registered Officer** Joseph Toscano

The new Executive will take on their roles from 4th November 2020 (the date of the temporarily delayed AGM).

We currently have 422 members on the federal electoral roll. We need 550 members before PIBCI apply to become a registered Federal Political Party. If we want to take part in the 2022 Federal Election, we need to apply for registration by June 2021 – it can take up to 6 to 9 months to achieve registration once an application is accepted. In order to prepare for the registration process, you will receive a new membership number and card by the end of February 2021.

Australia has never needed a political party like PIBCI more than during this health, economic, cultural and political crisis.

Enclosed with this notice is a PIBCI application form – If you know anyone who may be interested in joining PIBCI, please pass on the application form and encourage them to join. Send the completed form to:

PO Box 20, PARKVILLE VIC 3052 or info@pibci.net

You can also download the application form from www.pibci.net/pdf/PIBCI-Membership-Form.pdf and can email the completed form to info@pibci.net

PIBCI needs your help to find new members so we can apply for registration as a Federal Political party.
