

Toscano 4 Mulgrave HERE WE GO!!

Yes, I will be standing against the Victorian Premier, Mr. Daniel Andrews, in the electorate of Mulgrave.

Mulgrave Electorate:

Northern boundary – Ferntree Gully Rd

Southern boundary – Heatherton Rd

Eastern boundary – Eastlink and Dandenong Creek

Western boundary – Westall Rd

I know and you know I have a snowball's chance in hell of being elected as the member for Mulgrave. So why bother?

I am interested in conducting a campaign that will shift the focus of the election from the current construction blitz to '**Positive Human Focused Reforms**'.

Download the Toscano 4 Mulgrave leaflet from

www.drive.google.com/drive/folders/1S9IGIQSYgfXjG_ICNz0FSUcpDjkUNia?usp=sharing

The leaflet outlines my policies as well as a way of funding them.

In order to conduct an effective campaign, I need your support, without your support I'm wasting my time and money.

Irrespective of where you live in Victoria you can support the '**Positive Human Focused Reforms**' outlined in the leaflet.

WHAT DO I NEED?

1. I need approximately \$5,000 to cover the printing costs for this campaign.

- a. Leaflet drop to approximately 30,000 households in the Mulgrave electorate.
- b. 30,000 policy cards to be handed out at pre-polling booths and polling booths in the Mulgrave electorate on polling day (between 20 & 25).

To conduct such a campaign, I need the active support of 30-40 people who are willing to letterbox drop and give out polling material at the pre-polling booths and polling booths on election day – Saturday 26th November 2022.

I have conducted campaigns in both Frankston and Northcote over the past 8 years. It sounds easy but the reality is a little different. The campaign can only succeed with your help.
